Next week, children will find out which class they will be in next year.

- **Utilities, communication and financial services**

Unfortunately, due to constraints on space and staffing, we are unable to take children from Years 2, 3 and 4 whose families do not work in these sectors.

If you do work in one of these sectors and wish for your child to attend school, you will need to provide a letter from your employer confirming that you are a key worker before your child comes in to school. You will also need to book the days you wish your child to attend using the online form which is sent round each week to all confirmed key workers. Children of key workers and vulnerable families can still access school and are asked to book in for only the days they will attend. If you book in and your circumstances change, please let us know. Extended day provision can be booked for the children of key workers only and must be booked and paid for 7 days in advance using the usual booking system. Currently extended day is available in the morning and until 4.30pm only.

Short Notice Changes

Please be aware that due to the current situation staffing and access to school can change at very short notice. Any changes will be communicated to parents and carers via email as soon as possible. If you have changed your email contact details, please inform the school office as soon as possible.
