

Nurseries Coverage of Learning

Week Beginning 22nd November

This week in phonics we will be playing some more alliteration games and singing some tricky rhymes; a sailor went to sea, sea, sea to see what he could see, see, see.....

We will be celebrating Floppy's birthday! How old do you think Floppy is going to be? We will be sharing our own birthday experiences.

We will be reading some of Floppy's favourite stories and finding out more about his family; Kipper, Biff and Chip.

We will make a list of party food; what is your favourite? We will look at how children in other cultures celebrate their birthday.

In art we will be using one handed tools and a variety of different resources to make birthday cards and party hats. What is the best shape to make a hat that will stay on your head?

In maths we will be problem solving. Floppy has invited three friends to tea and we need to lay the table. How many plates, bowls and cups do we need?

In the outdoor classroom we will be making music with musical instruments and play musical statues; when the music stops you must freeze!

Dates for the Calendar

The EYFS will be holding their Christmas party on the morning of Friday 17th of December; 8.45am - 11.45am. The children who attend the afternoon session will be invited to attend in the morning. Parents can also pick up their child at 11.45am if they would like them to go to the end of term concert for Years 1 - 4. More details about the party will follow soon.

A reminder to all 30 Hour provision families.

To keep your 30 hours place you need to check your details are up to date to ensure you have funding in place before the Spring term begins.

A Polite Reminder - Please can all coats, hats, scarves and mittens/gloves be clearly named. If lost, belongings will make their way back to the nursery if named. Thank You
