

## Nurseries Coverage of Learning

Week Beginning 6th December

This week in phonics we will continue developing oral segmenting and blending skills. Last week we met Bob, our toy talk puppet. This week will meet Metal Mike, a homemade robot computer who eats cvc pictures and objects; cat, dog, leg, net, sun. The children will choose an object/picture and Metal Mike will say the sounds 'd-o-g' using a robotic voice! Please don't be concerned if the children come home speaking like a robot!

In literacy we will be reading some Christmas poems. My favourite is The Night Before Christmas. If you have a favourite Christmas story, please bring it into nursery and we can read it together.

In maths we will be playing lots of Christmas counting games such as placing the correct number of decorations on the Christmas tree to match numbers 1 to 5. We will try and guess how many baubles there are in a big and a small basket. Which one do you think will have the most?

In art and craft we are going to be making a Christmas angel and will practise singing our Christmas songs.

Don't forget to wear your Christmas jumper on Friday 10th December!
