

Nursery's Coverage of Work

Week Beginning 17th January 2022

The new sound for Floppy's table this week is the letter 't' as in tiger and toothbrush. Thank you to those who have been bringing in objects to share with the class. The children really love the opportunity to show and tell to their friends. There will be an 't' assignment for the children to complete on Google Classroom. Please let us know if you are unable to access Google classroom. There will be an option to have a virtual parent consultation next month on Google Meet which is accessible via your child's Google Classroom account.

The story for this week will be 'The Three Little Pigs'. We will be talking about how Mummy Pig feels when her little pigs go away and how we can help the wolf to be more kind to others. Do you have a favourite story we can share with your friends? We will play 'What's that Sound?' to identify environmental sounds and copy a pattern of sounds.

In maths we will be introducing the vocabulary of weight. We will be sorting objects into sets; heavy and light. Which do you think would be the heaviest, a pile of bricks or a stack of straw?

In the outdoor classroom we will be using natural resources to construct a strong and weatherproof house. Let's hope the Wolf doesn't come along and Huff and Puff and blow the house down?

In art we will be using natural resources and shape printing to collage house shapes for the Three Pigs. We will be talking about the textures of different materials; do they feel soft, hard, rough? Would you like to live in a house of straw, sticks or bricks? We will be looking closely at the patterns we can see in different buildings and doing some wax rubbings.

In music and movement we will be acting out the story of the Three Little Pigs and playing 'What's the time Mr Wolf'.

Polite Reminder

During this cold spell, we ask that the children's belongings are clearly named. The children get anxious if their hats, scarves and gloves/mittens go missing, especially if their friend has the same hat!
