This year (2018/9) our aim is to continue to enhance the PE curriculum by providing 2 hours of PE each week. Further we will ensure that children have quality informal opportunities to play and learn games in their play times. The children will be invited to compete both 'in house' and at local events and external competitions. We are part of a local Sports Partnership.

We ensure that our 'Enrichment and Enjoyment' activities encourage children to learn new games and to practice them with others.

We run a variety of 'out of school' clubs and 'target' any groups who do not engage. Pupil premium children are able to attend a club each term. We sent a letter out to Pupil Premium children stating their entitlement to attend a club for free and this increased Pupil Premium attendance.

We encourage parents to support their children in sporting activities - building on the very successful 'sports days' we have held.

We will also be looking into getting the afPE quality mark.
